Hair, Beauty & Barbering

What is Hair, Beauty & Barbering?

Hair and Beauty is a well-established sector with various opportunities for an individual who has a keen interest in starting a career in the industry.

There are three main areas within this sector; Hair, Beauty and Barbering.

Within the industry, there are many different job roles and with range of tasks (for example, colour cutting and styling) or job roles specialising in one specific element for example, a colour technician only colours a client's hair).

Hairdressers and beauticians can work in several different places including Hair Salons, Spas, Barber Shops, Health Clubs, Hotels, Department Stores and even Cruise Ships!

You must also have a keen awareness of health and safety issues that may arise in a salon.
