ILM Level 2 Team Leading Apprenticeship

This apprenticeship package provides learners with an understanding of the roles and responsibilities of team leaders in a business context. It builds practical skills in team management through a choice of hands-on units.

Level 2 Diploma in Team Leading

Who is this qualification for?

This combined knowledge and competency based qualification is ideal for new team leaders who want to develop themselves as leaders and managers. It provides learners with the opportunity to learn and implement the core skills needed in today's dynamic business environment.

Results for you:

- Take control of your personal development
- Communicate clearly and confidently
- Engage and support your team
- Build positive and productive relationships at work
- Get a nationally recognised qualification.

Impact for your employer:

- Team leaders with proven ability to perform
- Team leaders who are competent to manage people and relationships
- Better communication and collaboration in teams
- Team leaders with the ability to self-manage.

Focus on the skills you need:

The units in this qualification focus on the essential skills learners need to develop as team leaders. There are five mandatory units, looking at the principles of team leading and management, workplace communication, understanding business and personal development.

Plus there is a wide selection of optional units to build management skills in a variety of areas such as customer service, health and safety and performance management.
