

Security Officer

Are you ready to make a difference in Northern Ireland's security landscape? Are you Looking for a challenging and rewarding role with excellent development opportunities? We are looking for ambitious individuals who are willing to learn and develop their skills and become our next manager through our management training program? If this sounds like you then keep reading.

Working as a Security Officer at Securitas will enhance your career in the security industry, we will provide you with ongoing support and give you the skills and knowledge to progress with us. You will be an integral part of our Security Team and we will reward you with various company benefits like sick pay, pension scheme, holiday pay, discounts on shopping, brand names and holidays.

Role Overview:

- Job type: Permanent Full-time
- Pay: £11.88 - £12.44 an hour
- Shift and schedule: Weekend availability, Night shift, Day shift, Monday to Friday
- Location: Bushmills BT57

Benefits:

- Company pension
- Employee discount
- On-site parking
- Sick pay
- Accredited CPD Training

We have various roles on offer and if you meet our criteria we will contact you to discuss which shift pattern/weekly hours suit you best.

Security Officer: Working 36.5 hours per week - days, nights and weekends, (splitting the week between static guarding and mobile guarding - company vehicle supplied) - £11.88 per hour

Security Officer: Working 20 hours per week - split across two shifts over the weekend - £11.88 per hour

Relief Security Officer: Working 38 hours per week - 3/4 shifts a week - working days, nights and weekends. (Flexibility required to safeguard a number of different sites) - £12 - 12.44 per hour

Responsibilities to include:

- Conduct regular patrols to deter and detect unauthorised activity, vandalism or safety hazards
- Continuously monitor alarm systems and CCTV cameras to promptly detect and respond to any security breaches or suspicious activities, following established protocols

- Provide friendly and professional assistance to visitors, employees and vendors; ensuring a positive and welcoming experience for all
- Control access to the premises by monitoring entry and exit points, verifying credentials and enforcing security protocols
- Act swiftly and decisively in emergency situations, such as fires, medical emergencies or security threats and follow established procedures to mitigate risks, evacuate personnel if necessary and coordinate with emergency services
- Maintain accurate records of security incidents, patrols and activities and prepare detailed reports documenting any incidents, observations or security-related issues encountered during your shift

Essential Criteria:

- Full clean driving license and access to own vehicle.
- Right to work in the UK with a five-year checkable history
- Excellent communication skills and a strong customer focus
- Basic IT Skills
- Able to work independently as well as part of a team
- No current criminal convictions
- Punctual, reliable, proactive approach to duties

Licence/Certification:

- First Aid Certification (preferred)
- SIA licence (preferred)
- Driving Licence with access to a vehicle (required)

Work authorisation:

- United Kingdom (required)

Work Location:

- In person
